Dear Ms. Della Rocco:

This correspondence is in response to the Request for Additional Information (RAI) for the above referenced report.

Regarding the total Schedule A reported on line 12, an unfortunate administrative error has resulted in duplicate receipts from individuals being listed among the correctly reported receipts from affiliated committees. Upon review of line 12 you will see that the difference from the summary page total and the itemized total is made up of receipts from several individuals who should not have been reported on this line of the report. The summary page is reported correctly. Additionally, these individuals were properly reported on the correct line. We have corrected the itemized line 12 to remove these improper records and amended the report.

Regarding receipts from "2012 Repub. National Conv.", these are offsets to operating expenditures and as such are reported on the correct line.

We have amended Schedule C of our report with additional information.

Regarding Schedule C1, a copy of the loan documents from July 2011 has been delivered to FEC.

Please note the reported financial summary of this report has not changed with this amendment.

I trust this response will meet your requirements; however, please feel free to contact me if you have any remaining questions.

Sincerely,
Anthony Parker
